COLONIAL

Dear Colonial Pension Members,

For over 50 years the Colonial Group has operated by one main core value which is to “take care of our clients and staff”. This enduring value guides us as we face the difficult challenge of responding to the novel coronavirus (COVID-19), which the World Health Organization has now declared a pandemic.

It is clear that in The Bahamas as well as the rest of the world we are facing an unprecedented challenge. At Colonial we are concerned and focused on doing what we can to keep our families and communities safe and healthy.

The situation around COVID-19 continues to evolve, and we are committed to doing everything we can to ensure that we balance the needs of our business with the health and well-being of our clients, employees and the community.

Further to the most recent developments locally, I wanted to take this opportunity to contact you about our plans to protect and help you in navigating through these difficult and uncertain time. In light of the confirmation of COVID-19 cases in The Bahamas, and the Government’s decision to declare a state of emergency, our Bahamas offices are closed to walk-in customers.

However, we will continue to service you through our online platforms and phone lines. This decision was not taken lightly, but is made in an effort to minimize the COVID-19 threat and contain the transmission of the virus. Our commitment is to taking the right measures that ensure the safety and health of both clients and staff. While you can expect changes to our current business and customer management processes as the situation progresses, you can be assured that we will take every precaution to ensure that you receive the same levels of service that you have become accustomed to. We understand that you are relying on us to process any pension transactions that you may have, and we want to assure you that those transactions will be dealt with in a timely fashion. Here’s the information you will need in order to conduct business with us until it is deemed safe to resume our normal business activities.
